Campaign Prayer

Lord, we thank you for the many blessings that You have given to our Archdiocese, among them faithful stewards and co-workers, both spiritually and materially, as we all try our best each day to fulfill your mission here on Earth

We ask YOUR blessing upon the work in which we are all engaged toward the success of the We Are Living Stones Campaign.

May we be those 'living stones' that we are called to be, always building upon the very foundation of our Faith, JESUS CHRIST, our cornerstone, as we strive to continue programs and support to the poor, to families, to those seeking to come to know YOU more deeply, as well as ensure that our Faith continues to be faithfully passed on to new generations of your People.

May we always be ONE BODY in communion with Christ, as we continue to build up YOUR KINGDOM.

We ask through Jesus Christ, OUR LORD.

Campaign Kick-off!

St. Peter the Apostle is joining hands with our Brothers and Sisters in Christ across the Archdiocese of Newark to begin the **We Are Living Stones** Capital Campaign. We have embarked on this initiative to address the current and future needs here at **St. Peter's**, and to strengthen our larger Church.

There are numerous aspects to this campaign, and it is important that *everyone* is well informed. Over the next couple of months, we will be hosting a series of informative receptions here at **St. Peter's** to detail how this campaign will benefit our parish. All registered households will receive an invitation to attend a reception. This is an opportunity to gather as a parish, learn about the campaign, and have your questions answered.

As we embark on this historic endeavor, we ask that you pray for the success of this campaign, and consider volunteering your time and talent in the coming weeks. More information will be shared from the pulpit, through the mail, and in our bulletin over the next few months.

Thank you for your prayers and support.
